Very rare motorcycle (Rapid city sd)

image 1 of 8

fuel: gas

Aermacchi

transmission: manual

1953 aermacchi 125n. One of three in U.S. 125 cc single cylinder duel exhaust. Swing arms are exhaust pipes. Fuel tank under seat. The tank up front is clove box or tool area. The tank folds down to look like step through scooter or up to look like motorcycle, see photos. Clean title. This is a collectors bike or a museums dream. Go on Internet and look for one and you will see how rare this bike is. The aermacchi book showed it as one of the first bikes they made. \$6500.00 obo. Call
